

Artistic Expression Group

Time: 8 Wednesday evenings @ 7-9 PM
Oct 11 to Nov 29, 2017

Purpose: Gain insight, improve judgment, cope with stress, and work through traumatic experiences using painting, drawing, and molding clay.

Express thoughts and feelings through a creative process using different learned art forms of imagery, colour, and shape.

Experience the power of projecting feelings and inner conflicts in a visual form which would otherwise be difficult to express in words.

Increase self-awareness and self-esteem.

Embark on this journey in a group setting that serves to be a catalyst for encouragement and change.

Focus on the **experience** of **expression** while taking this art journey together, not on the **expectation** of outcome, therefore no past art experience is required.

306-347-2273

Cost: \$240/person (8 – 2 hour sessions @ \$15/hr)
